

EXHIBIT A

DISTRIBUTION PLAN

I. OVERVIEW

1. This Distribution Plan (the “Plan”) was developed by the Securities and Exchange Commission (the “Commission”) in accordance with practices and procedures customary in Fair Fund administrations. This Plan provides for the distribution of a Fair Fund (the “Fair Fund”), comprised of disgorgement, prejudgment interest, and civil money penalties paid by Cetera Advisors, LLC (“Cetera Advisors”) and Cetera Advisor Networks, LLC (“Cetera Advisor Networks”) (collectively, “Cetera” or “Defendants”) in this proceeding.

2. As described more specifically below, the Plan seeks to compensate investors who were harmed by the Defendants’ conduct alleged in the Complaint, for improperly disclosed fees paid to Defendants in connection with Defendants’ investment advisory or brokerage services. As calculated using the methodology detailed in the Plan of Allocation (Attachment A to this Plan), clients of Cetera Advisors and Cetera Advisor Networks will be compensated for 12b-1 fees (“12b-1 Fees”) and non-transaction fee markups (“Markups”) paid during certain periods, defined in paragraph 23, below (the “Relevant Period”). Based on information obtained by the Commission during its investigation and the review and analysis of applicable records, the Commission has reasonably concluded that it has all records necessary to calculate each investor’s harm. As a result, the Fair Fund is not being distributed according to a claims-made process.

3. The Commission has custody of the Fair Fund and will retain control of the assets of the Fair Fund. The Court retains jurisdiction over implementation of the Plan.

EXHIBIT A

II. BACKGROUND

4. On October 11, 2019, the SEC filed its Amended Complaint against Defendants.. [Dkt. No. 11]. According to the Complaint, Cetera invested and held clients in mutual fund share classes that charged 12b-1 Fees—which are recurring fees deducted from the fund's assets—even when it knew these clients were eligible to invest in lower-cost shares of the same funds without 12b-1 Fees. Clients whom Cetera invested in the higher-cost, otherwise identical share classes paid additional compensation to Cetera for as long as they held these investments. The Complaint also alleged that Cetera participated in a program offered by its clearing broker whereby it agreed to share with Cetera revenues and service fees it received from certain mutual funds. As a result, Cetera had an incentive to favor these mutual funds in the program over other investments when advising clients. The Complaint further alleged that Cetera directed its clearing broker to mark-up certain fees charged to Cetera's advisory clients which Cetera then received indirectly from these same clients.

5. According to the Complaint, Cetera failed to adequately disclose to its advisory clients each of these practices and the conflicts of interest associated with them. As a result of these failures, the SEC alleged that Cetera generated over \$10 million in undisclosed compensation. The Complaint charged Cetera with violations of Sections 206(2) and 206(4) of the Advisers Act and Rule 206(4)-7 thereunder [15 U.S.C. §§ 80b-6(2), 80b-6(4), 80b-7 and 17 C.F.R. § 275.206(4)-7]. [Dkt. No. 11].

6. Defendants consented to the entry of a Final Judgment against them, enjoining them from violating the provisions of the federal securities laws that are the subject of the allegations in the Complaint. The Court entered the Final Judgment on October 13, 2022. [Dkt. No. 119]. In the Final Judgment, the Defendants were ordered to jointly or severally pay

EXHIBIT A

disgorgement of \$5,614,509; prejudgment interest of \$990,961; and combined penalties of \$2,000,000. The total amount ordered to be paid by all Defendants was \$8,605,470. Defendants satisfied this obligation and made full payment to the Commission. The funds are being held in an SEC-designated account with the United States Department of the Treasury.

7. On July 14, 2023, the Court established a Fair Fund so that the penalties, disgorgement, and prejudgment interest collected can be distributed to harmed investors. [Dkt. 124]. On the same day, the Court appointed Heffler, Radetich & Saitta, LLP as Tax Administrator for the Fair Fund. *Id.*

8. On November 16, 2023, the Court appointed Epiq Class Action & Claims Solutions, Inc. as Distribution Agent for the Fair Fund [Dkt. 128].

9. To date, the Defendants have paid a total of \$8,605,470.00. The Fair Fund has been deposited at the United States Department of the Treasury's Bureau of the Fiscal Service ("BFS") for investment.

VI. PLAN PROCEDURES

Specification of Preliminary Claimants

34. Using information obtained during its investigation, the Commission has identified the Preliminary Claimants. Preliminary Claimants are limited to only those Persons who may have suffered a loss due to the payment of improperly disclosed 12b-1 Fees or Markups to Defendants in connection with investment advisory or brokerage services during the Relevant Period.

Procedures for Locating and Notifying Preliminary Claimants

35. Within forty-five (45) days of Court approval of the Plan, the Distribution Agent will:

- (a) Establish and maintain a website devoted solely to the Fair Fund. The Fair Fund's website will make available a copy of the approved Plan, include a copy of the Plan Notice, and related materials in downloadable form, and such other information that the Distribution Agent believes will be beneficial to Preliminary Claimants.

EXHIBIT A

Agent during its regular business hours or, outside of such hours, to hear pre-recorded information about the Fair Fund.

- (c) Establish and maintain a traditional mailing address and an email address which will be listed on all correspondence from the Distribution Agent to Preliminary Claimants as well as on the Fair Fund's website.
- (d) Establish and maintain a case specific database of all Preliminary Claimants based upon information provided to and obtained by the Distribution Agent, including the last known physical and email addresses.
- (e) Run a National Change of Address search to retrieve updated addresses for all records in the database, thereby ensuring the mailing information for Preliminary Claimants is current; and
- (f) Send a Plan Notice to each Preliminary Claimant's last known email address (if known) and/or mailing address.

36. The Commission staff retains the right to review and approve any material posted on the Fair Fund's website, any communication with investors, and any scripts used in connection with communications with investors.

Undeliverable Mail

37. The Distribution Agent will attempt to locate any Preliminary Claimant whose mailing is returned as undeliverable by the U.S. Postal Service or otherwise, including an advanced address search using commercially available resources, if feasible, and will document all such efforts. If another address is obtained, the Distribution Agent will then resend it the Preliminary Claimant's new address within thirty (30) days of receipt of the returned mail. If the mailing is returned again, and the Distribution Agent, despite best practicable efforts, is unable to

EXHIBIT A

find a Preliminary Claimant's correct address, the Distribution Agent, in its discretion, may deem such Preliminary Claimant an Unresponsive Preliminary Claimant.

38. The Distribution Agent, with Commission staff approval, may engage a third-party search firm to conduct more rigorous searches for Persons whose mailings are returned as undeliverable.

39. Any Preliminary Claimant who relocates or otherwise changes contact information after receipt of the Plan Notice must promptly communicate any change in address or contact information to the Distribution Agent.

Procedures to Request Plan Notice

40. Any Person who does not receive a Plan Notice but who is aware of this Plan (e.g., through other Preliminary Claimants or on www.sec.gov) and believes they should be included as a Preliminary Claimant should contact the Distribution Agent within sixty (60) days from the approval of the Plan to establish that they should be considered a Preliminary Claimant. The Distribution Agent will send the Person a Plan Notice within fourteen (14) days of receiving the Person's documentation, if the Distribution Agent determines that the Person should have received a Plan Notice.

Failure to Respond to Plan Notice

41. If a Preliminary Claimant is requested to respond and fails to respond within forty-five (45) days from the initial mailing of the Plan Notice, the Distribution Agent will make no fewer than two (2) attempts to contact the Preliminary Claimant by mail, telephone, or email. The second attempt will in no event take place more than ninety (90) days from the initial mailing of the Plan Notice. If a Preliminary Claimant fails to respond to the Distribution Agent's

EXHIBIT A

contact attempts as described in this paragraph, the Distribution Agent, in its discretion, may deem such Preliminary Claimant an Unresponsive Preliminary Claimant.

Dispute Process

42. Disputes will be limited to calculation of Recognized Loss. Within forty-five (45) days of the initial mailing of the Plan Notice, the Distribution Agent must receive a written communication detailing any dispute along with any supporting documentation. The Distribution Agent will investigate the dispute, and such investigation will include a review of the written dispute as well as any supporting documentation.

Final Determination Notices

43. Within one hundred twenty (120) days of the initial mailing of the Plan Notices, the Distribution Agent will send a Final Determination Notice to (a) any Preliminary Claimant who timely submitted a written dispute as described in paragraph 42 above, notifying the Preliminary Claimant of its resolution of the dispute; and (b) those Preliminary Claimants who have not responded to the Plan Notice, as described in paragraph 41 above, except for those whose Plan Notice were returned as undeliverable, notifying the Preliminary Claimant that he, she, or it has been deemed an Unresponsive Preliminary Claimant.

Distribution Methodology

44. The Distribution Agent will calculate each Preliminary Claimant's Recognized Loss in accordance with the Plan of Allocation. All Preliminary Claimants who are determined to have a Recognized Loss, and who are not deemed an Excluded Party or an Unresponsive Preliminary Claimant will be deemed an Eligible Claimant. All Eligible Claimants whose distribution amount is equal to or greater than \$25.00, as calculated in accordance with the Plan of Allocation, will be deemed a Payee and receive a Distribution Payment.

EXHIBIT A

Establishment of a Reserve

45. Before determining the amount of funds available for distribution and calculating each Payee's Distribution Payment, the Distribution Agent, in conjunction with the Tax Administrator, will establish a reserve to pay Administrative Costs and to accommodate any unexpected expenditures (the "Reserve").

46. After all Distribution Payments are made and Administrative Costs paid, any remaining amounts in the Reserve will become part of the Residual described in paragraph 66 below.

Preparation of the Payment File

47. Within one hundred eighty (180) days of the initial mailing of the Plan Notice, the Distribution Agent will compile and send to the Commission staff the Payee information, including the name, address, calculated Recognized Loss, and the amount of the Distribution Payment for all Payees (the "Payee List"). The Distribution Agent will also provide a Declaration to the Commission staff, representing that the Payee List: (a) was compiled in accordance with the approved Plan; (b) is accurate as to Payees' names, addresses, Recognized Losses and amounts of their Distribution Payment; (c) includes the number of Payees compensated; (d) the *pro-rata* applied, if any; (e) the percentage of Recognized Loss being compensated by the Fair Fund; (f) the total amount being distributed; and (g) provides all information necessary to make a payment to each Payee.

The Escrow Account

48. Prior to the disbursement of funds from the Net Available Fair Fund, the Distribution Agent will establish an escrow account (the "Escrow Account") with a United States commercial bank that is a well-capitalized financial institution as defined by the Federal Reserve

EXHIBIT A

Act, Subpart D, 12 C.F.R. 208.43 and that is not unacceptable to the Commission (the “Bank”), pursuant to an escrow agreement (the “Escrow Agreement”) to be provided by Commission staff.

49. The Distribution Agent, pursuant to the Escrow Agreement, will also establish with the Bank a separate deposit account (*e.g.* controlled distribution account, managed distribution account, linked checking and investment account) (the “Distribution Account”), insured by the Federal Deposit Insurance Corporation (“FDIC”) up to the guaranteed FDIC pass through limit. The Distribution Account will be linked with the Escrow Account and will be named, and records maintained, in accordance with the Escrow Agreement.

50. During the term of the Escrow Agreement, the portions of the Fair Fund transferred to the Escrow Account (the “Escrow Property”) will be invested and reinvested in short-term U.S. Treasury securities backed by the full faith and credit of the United States Government or an agency thereof. The investment will be, of a type and term necessary to meet the cash liquidity requirements for payments to Payees and Administrative Costs, including investment or reinvestment in a bank account insured by the FDIC up to the guaranteed FDIC limit, or in money market mutual funds registered under the Investment Company Act of 1940 that invest 100% of their assets in direct obligations of the United States Government.

51. The Distribution Agent will provide duplicate original bank and/or investment statements on any accounts established by the Distribution Agent to the Tax Administrator on a monthly basis and will assist the Tax Administrator in obtaining mid-cycle statements, as necessary.

52. The Distribution Agent, in consultation with the Commission staff, will work with the Bank on an ongoing basis to deposit or invest funds in the Escrow and Distribution Accounts so as to result in the maximum reasonable net return, taking into account the safety of such

EXHIBIT A

deposits or investments and tax implications; and to determine an allocation of funds between the Escrow and Distribution Account.

53. All interest, dividends, and/or income earned by the Escrow Property will accrue for the benefit of the Escrow Property. All Administrative Costs associated with the Escrow and Distribution Accounts will be the responsibility of the Distribution Agent, who may be reimbursed for said costs as provided in this Plan. No such Administrative Costs may be paid to the Bank, its agents, and/or its affiliates from the Escrow Property.

Distribution of the Fair Fund

54. Upon the Commission's staff's receipt, review, and acceptance of the Payee List and Declaration from the Distribution Agent, the Commission will petition the Court for authority to disburse funds from the Net Available Fair Fund to the Bank in accordance with the Payee List for distribution by the Distribution Agent in accordance with the Plan. The Payee List will, upon request, be made available to the Court under seal. All disbursements will be made pursuant to a Court Order.

55. Upon issuance of an order to disburse by this Court, the Commission staff will direct the transfer of funds in accordance with the Payee List to the Bank. The Distribution Agent will then use its best efforts to commence mailing Distribution Payment checks and/or effect electronic payments within ten (10) business days of the release of the funds into the Escrow Account. All efforts will be coordinated to limit the time between the Escrow Account's receipt of the funds and the issuance of Distribution Payments.

56. All checks will be issued by the Distribution Agent from the Distribution Account. All checks will bear a stale date of ninety (90) days from the date of issuance. Checks that are not negotiated by the stale date will be voided, and the Bank will be instructed to stop

EXHIBIT A

payment on those checks. A Payee's claim will be extinguished if he, she, or it fails to negotiate his, her or its check by the stale date, and the funds will remain in the Fair Fund, except as provided in paragraph 60.

57. All Distribution Payments will be preceded or accompanied by a communication that includes, as appropriate: (a) a statement characterizing the distribution; (b) a statement that the tax treatment of the distribution is the responsibility of each Payee and that the Payee should consult his, her or its tax advisor for advice regarding the tax treatment of the distribution; (c) a statement that checks will be void and cannot be reissued after ninety (90) days from the date the original check was issued; and (d) contact information for the Distribution Agent for questions regarding the Distribution Payment. The letter or other mailings to Payees characterizing a Distribution Payment will be submitted to the Tax Administrator and Commission staff for review and approval.

58. All Distribution Payments, either on their face or in the accompanying mailing, will clearly indicate that the money is being distributed from the Fair Fund established by the Court to compensate investors for harm as a result of securities law violations.

Post Distribution; Handling of Returned or Uncashed Checks; and Reissues

59. The Distribution Agent will use its best efforts to make use of commercially available resources and other reasonably appropriate means to locate all Payees whose checks are returned to the Distribution Agent as "undeliverable." If new address information becomes available, the Distribution Agent will repack the distribution check and send it to the new address. If new address information is not available after a diligent search (and in no event no later than ninety (90) days after the initial mailing of the original check) or if the distribution check is returned again, the check will be voided and the Distribution Agent will instruct the

EXHIBIT A

issuing financial institution to stop payment on such check. If the Distribution Agent is unable to find a Payee's correct address, the Distribution Agent, in its discretion, may remove such Payee from the distribution and the allocated Distribution Payment will remain in the Fair Fund for distribution, if feasible, to the remaining Payees.

60. The Distribution Agent will reissue checks or electronic payments to Payees upon the receipt of a valid, written request from the Payee if prior to the initial stale date. In cases where a Payee is unable to endorse a Distribution Payment check as written (*e.g.*, name changes, IRA custodian changes, or recipient is deceased) and the Payee or a lawful representative requests the reissuance of a Distribution Payment check in a different name, the Distribution Agent will request, and must receive, documentation to support the requested change. The Distribution Agent will review the documentation to determine the authenticity and propriety of the change request. If, in the discretion of the Distribution Agent, such change request is properly documented, the Distribution Agent will issue an appropriately redrawn Distribution Payment to the requesting party. Reissued checks will be void at the later of ninety (90) days from issuance of the original check or sixty (60) days from the reissuance, and in no event will a check be reissued after ninety (90) days from the date of the original issuance without the approval of Commission staff.

61. The Distribution Agent will work with issuing financial institution and maintain information about uncashed checks and any returned items due to non-delivery, insufficient addresses, and/or other deficiencies. The Distribution Agent is responsible for researching and reconciling errors and reissuing payments when possible. The Distribution Agent is also responsible for accounting for all payments. The amount of all uncashed and undelivered payments will continue to be held in the Fair Fund.

EXHIBIT A

62. The Distribution Agent will make and document its best efforts to contact Payees to follow-up on the status of uncashed distribution checks over \$100 (other than those returned as “undeliverable”) and take appropriate action to follow-up on the status of uncashed checks at the request of Commission staff. The Distribution Agent may reissue such checks, subject to the time limits detailed herein.

63. At the discretion of the Distribution Agent, certain costs that were not factored into the Reserve, such as bank fees for the return of a payment, may reduce the Payee’s Distribution Payment. In such situations, the Distribution Agent will immediately notify the Tax Administrator of the reduction in the Distribution Payment.

Receipt of Additional Funds

64. Should any additional funds be received pursuant to Commission or Court order, agreement, or otherwise, prior to the Court’s termination of the Fair Fund, such funds will be added to the Fair Fund and distributed, if feasible, in accordance with the Plan.

Disposition of Undistributed Funds

65. If funds remain following the initial distribution and payment of all Administrative Costs, the Distribution Agent, in consultation with the Commission staff, may seek subsequent distribution(s) of any available remaining funds. All subsequent distributions will be made in a manner that is consistent with this Plan and pursuant to a Court Order.

66. A residual within the Fair Fund will be established for any amounts remaining after the final disbursement to Payees from the Fair Fund and the payment of all Administrative Costs (the “Residual”). The Residual may include funds from, among other things, amounts remaining in the Reserve, distribution checks that have not been cashed, checks or electronic payments that were not delivered or were returned to the Commission, and tax refunds for

EXHIBIT A

overpayment of taxes or for waiver of IRS penalties.

67. All funds remaining in the Residual that are infeasible to distribute to investors will be returned to the Commission and held pending a final accounting.

Administrative Costs

68. Administrative Costs will be paid from the Fair Fund.

Filing of Reports and Accountings

69. The Distribution Agent will provide to Commission staff, a progress report, pursuant to and in a format to be provided by Commission staff, within forty-five (45) days of Court approval of this Plan and will provide additional progress reports within twenty (20) days after the end of every quarter thereafter, and a final report when its duties are completed. The Commission will provide these reports to the Court upon request.

70. The progress reports will inform the Court and the Commission staff of the activities and status of Fair Fund during the relevant reporting period, and once funds are transferred to the Bank it will specify, at a minimum: (a) the location of the account(s) comprising the Fair Fund; and (b) an interim accounting of all monies in the Fair Fund as of the most recent month-end, including the value of the account(s), all monies earned or received into the account(s), funds distributed to Payees, and any monies expended from the Fair Fund to satisfy any fees, costs, taxes and other expenses incurred in the implementation of this Plan.

71. Upon completion of all distributions to Payees and payment of all Administrative Costs, pursuant to the procedures described above, the Distribution Agent will submit to the Commission staff a final accounting, on a standardized form provided by the Commission staff. The Distribution Agent will also submit a report to the Commission staff containing the final distribution statistics regarding distributions to individuals and entities, and such other

EXHIBIT A

information requested by the Commission staff. The final accounting report will include a recommendation as to the disposition of the Residual, consistent with *Liu v. SEC*, 140 S. Ct. 1936 (2020) and Section 21(d)(7) of the Exchange Act, 15 U.S.C. § 78u(d)(7).¹ If distribution of the Residual to investors is infeasible, the Commission may recommend the transfer of the Residual to the general fund of the U.S. Treasury subject to Section 21F(g)(3) of the Exchange Act.²

Wind-down and Document Retention

72. The Distribution Agent will shut down the website, P.O. Box and customer service telephone line(s) established specifically for the administration of the Fair Fund six (6) months after the transfer of any remaining funds to the Commission, or at such earlier time as the Distribution Agent determines with the concurrence of the Commission staff.

73. The Distribution Agent will retain all materials submitted by Preliminary Claimants in either paper or electronic form for a period of six (6) years from the date of approval of a final accounting. Materials maintained in electronic form must be accessible and readable for the duration of retention. Pursuant to the Commission staff's direction, the Distribution Agent will either turn over to the Commission or destroy all materials, including documents in any media, upon expiration of this period.

Termination of the Fair Fund

74. The Fair Fund will be eligible for termination and the Distribution Agent will be

SEC*, 140 S. Ct. 1936 (2020) and Section 21(d)(7) of the Exchange Act, 15 U.S.C. § 78u(d)(7).

75. Once the Commission staff has reviewed and accepted the final accounting, the Commission will petition the Court for an order, as appropriate, approving the final accounting, discharging the Distribution Agent, disposing of the Residual, and terminating the Fair Fund.

76. Once the Fair Fund has been terminated, no additional payments will be made whatsoever.

Attachment A**PLAN OF ALLOCATION**

This Plan of Allocation is designed to compensate investors who paid improperly disclosed 12b-1 Fees and/or Markups to Defendants in connection with investment advisory or brokerage services during the Relevant Period, as defined in the Distribution Plan. Investors who did not pay improperly disclosed 12b-1 Fees and/or Markups to Defendants in connection with investment advisory or brokerage services during the Relevant Period are ineligible to recover under this Plan. Based upon records obtained by the Commission during its investigation, the Distribution Agent has identified those investors, or their lawful successors, who may have paid improperly disclosed 12b-1 Fees and Markups to Defendants in connection with investment advisory or brokerage services during the Relevant Period (the “Preliminary Claimants”).

The Distribution Agent will calculate each Preliminary Claimant’s loss (“Recognized Loss”) as follows:

1. Sum the excess 12b-1 fees paid to Defendants during the Relevant Period (“Recognized Loss on 12b-1 Fees”)
2. Sum the excess Markups paid to Defendants during the Relevant Period (“Recognized Loss on Markups”)
3. Calculate the “Recognized Loss” as the sum of the Recognized Loss on 12b-1 Fees plus the Recognized Loss on Markups. If the Recognized Loss calculates to a gain, then the Recognized Loss will be \$0.00.

If the Recognized Loss calculates to a negative number, reflecting a gain, then the Recognized Loss will be \$0.00.

EXHIBIT A

To avoid payment of a windfall, the Recognized Loss will be reduced by the amount of any compensation for the loss that resulted from the conduct alleged in the Complaint that was received from another source (e.g., class action settlement), to the extent known by the Distribution Agent.

Any Preliminary Claimant who suffered a Recognized Loss pursuant to this Plan of Allocation, and who is not an Excluded Party or an Unresponsive Preliminary Claimant, as defined in the Plan, will be deemed an Eligible Claimant.

Additional Provisions

Allocation of Funds: As the Net Available Fair Fund, as defined in the Plan, is equal to or exceeds the sum of Recognized Losses of all Eligible Claimants, each Eligible Claimant's distribution amount will equal his, her or its Recognized Loss. If the Net Available Fair Fund is less than the sum of the Recognized Losses of all Eligible Claimants, each Eligible Claimant's distribution amount will equal his, her or its "*Pro Rata* Share" of the Net Available Fair Fund. In either case, the distribution amount will be subject to the "Minimum Distribution Amount."

Pro Rata Share: A *Pro Rata* Share computation is intended to measure Eligible Claimants' Recognized Losses against one another. The Distribution Agent will determine each Eligible Claimant's *Pro Rata* Share as the ratio of his, her, or its Recognized Loss to the sum of Recognized Losses of all Eligible Claimants.

Minimum Distribution Amount: The Minimum Distribution Amount will be \$25.00. If an Eligible Claimant's distribution amount is less than the Minimum Distribution Amount, that Eligible Claimant will be deemed ineligible to receive a Distribution Payment and his, her, or its

distribution amount will be reallocated on a *pro-rata* basis to Eligible Claimants whose distribution amounts are greater than or equal to the Minimum Distribution Amount.

Payee: An Eligible Claimant whose distribution amount equals or exceeds the Minimum Distribution Amount will be deemed a Payee.

Distribution Payment: Payees will receive a Distribution Payment equal to his, her, or its distribution amount. In no event will a Payee receive from the Fair Fund more than his, her, or its Recognized Loss.
